The internet offers many websites to watch TV and movies online for free. Below are my favorite free sites to go to:

1. YouTube – YouTube offers many videos that people upload. These videos range from non professional and professional film makes. You can watch TV shows on YouTube by going to <http://www.youtube.com/show>. You can watch movies on YouTube by going to <http://www.youtube.com/movies>.
2. Hulu – Hulu is a popular website you can go to watch movies, and TV shows online. Hulu offers a free downloadable program that allows you to search Hulu from a desktop program. You can get it at <http://www.hulu.com/labs/hulu-desktop>. Hulu’s web address is <http://www.hulu.com>
3. All of your major networks offer the capability to watch their shows at their website for free.
 - a. ABC - <http://abc.go.com/>
 - b. CBS - <http://www.cbs.com/>
 - c. The CW - <http://www.cwtv.com/>
 - d. Fox - <http://www.fox.com/>
 - e. NBC - <http://www.nbc.com/>
 - f. The WB - <http://www.thewb.com/>
4. In2TV – In2TV is an AOL website that contains lots of classic movies, and TV shows. In2TV’s web address is <http://television.aol.com/in2tv>.
5. Fancast – Fancast is Comcast’s free website to watch movies and TV shows online. Fancast’s web address is <http://www.fancast.com/>.
